I'm listening on the call. Joined in a couple of minutes after the call had started. It sounds like Betsaida is pushing these to R3 right away. I may be able to look at the docs, but not until I get home tonight. Currently still in Potomac Yards.

Tito

Here are my only two comments on the Q's and A, which then need to go into the desk statement. The document ends with OEM.doc. Tito, Larry, others?
